NOTE: The pages in the package are formatted for US 8 1/2\" x 11\" letter size paper. If you are overseas and only have access to European A4 210mm by 297mm, you will need to print the document at 96\% of its normal size.

Step 2: Return Your FPCA Package

Select and download either the Standard U.S. (#10 envelope 4 1/8in. by 9 1/2in.) or European standard C4 (229mm by 324mm) template, depending on your envelope printer setting.

NOTE: The postal service equipment will destroy envelopes with taped or stapled postage-paid labels.

If you don't have a US standard #10 envelope, use any size you have available. You will need to affix postage to the envelope to ensure that your FPCA will make it to your election official in a timely manner. Seal and mail your election materials to the local election official address located in the FPCA PDF reference materials.

If mailing from outside the US and using a foreign mail service you will need to affix proper postage to the envelope to ensure that your FPCA will make it to your election official in a timely manner.
