The United States Embassy in Lisbon and the Consulate in Ponta Delgada provide Consular Services for Portugal. Each of the two consular districts maintains their own list of lawyers, and copies of the lists are available, free of charge, upon request.

DISCLAIMER: The United States Embassy in Lisbon assumes no responsibility or liability for the professional ability or reputation of, or the quality of services provided by, the following persons or firms. Names are listed alphabetically within four regions of the country: Lisbon, Algarve, Porto and Madeira, and the order in which they appear has no other significance. Professional credentials, areas of expertise and language ability are provided directly by the lawyers. You may receive additional information about the individuals by contacting the local bar association. www.portal.oa.pt

The Embassy cannot accept financial responsibility for any citizen. The client must discuss all fees in advance, as well as the method of payment, before hiring an attorney. Also, please note that addresses and phone numbers are subject to change. Therefore, readers should consider this list as an information guide, and when in doubt, should consult the appropriate telephone directory.

The Embassy reserves the right to add, restrict or amend this list as necessary.
