**Pre-Solicitation Notice** – Replacement of the Pantry Kitchen Cabinets at the Chief of Mission Residence

**Solicitation Number:** 19P05019Q0018

The Embassy of the United States of America in Lisbon intends to issue a solicitation for the services of a custom kitchen cabinet contractor to fully renovate the pantry kitchen cabinets in the residence of the Ambassador located at Rua do Sacramento à Lapa, Lisbon. Conceptual drawings have been done but final drawings will be required for approval before work is to begin. The small kitchen area will require full renovation including new wall and floor tiles, new lighting and paint and new sink and plumbing connections. All cabinets and countertops need to be replaced. Cabinets are to be high quality, with full extension drawers and soft close hinges. Doors and drawer fronts are to be solid wood (frame and panel) construction. Countertops shall be solid natural stone. Backsplashes and walls to have ceramic tile installed. All finishes and exact specifications on colors and textures to be determined during the design stage of the project. Embassy will provide all new appliances.

Only companies specializing in this field of work should apply for a solicitation package.

Please be advised that firms need to be registered in the System for Award Management (SAM) [www.sam.gov](http://www.sam.gov) before the contract is awarded. If you require any additional information, please contact the Procurement Section.
