SUBJECT: Pre-Solicitation Notice – Supply and installation of water fountains

Pre- Solicitation No. 19PO5019Q0003

The Embassy of the United States of America in Lisbon, Portugal, intends to issue a solicitation (RFP- Request for quotation) for the supply and installation of five (5) water fountains with the following technical specifications:

Water fountains should be able to produce sparkling water, cold water and hot water at a temperature of 97 Celsius with and a cooling capacity of 60 Liters and a hot water storage capacity at least of 4.5 liters. The water fountain must have a direct connection to utilities, hardwired to electricity, and plumbed to waterline.

The contractor shall furnish managerial, administrative, and direct labor personnel to accomplish all work as required in the contract.

Please be advised that firms need to be registered in the System for Award Management (SAM) at www.sam.gov before the contract is awarded. If you require any additional information, please contact the Procurement Section.
